

Yogesh Sathe

Front End Developer

PROFESSIONAL SUMMARY

Front-End Developer skilled in modern technologies, experienced in creating UIs, and adept at optimizing performance. Highly collaborative and detail-oriented, with a passion for learning new technologies.

EXPERIENCE

FRONT END DEVELOPER

A2Z INFOTECH - Ahmednagar, Maharashtra

June 2022 - Present

- Collaborated with a team to design, develop, and implement web applications using technologies such as HTML, CSS, JavaScript, and React js.
- Implemented responsive and user-friendly interfaces, focusing on delivering a seamless user experience across various devices.
- Actively researched and adopted new technologies, staying up-to-date with the latest trends and best practices in software development.

PROJECTS

E-commerce Website

- Developed a fully functional e-commerce platform from scratch, allowing users to browse products, add items to their cart, and complete secure online transactions.
- Integrated a payment gateway to facilitate smooth and secure online payments.
- Implemented product filtering and search functionality to facilitate easy product discovery.
